Laws Whiskey House is reimagining great American whiskey by creating unique and bold flavor experiences. Our grain-forward style whiskeys are made with the highest quality heritage and heirloom corn, wheat, barley, and rye grown by two Colorado family farms. We use time-tested production techniques that showcase each individual grain's terroir resulting in singular and novel whiskeys.

The 2023 ORIGINS Series Release, CORNERSTONE, is special and inaugural, commemorating the opening of our new tasting room. This new destination will be foundational to our future and a literal cornerstone of our distillery. To celebrate the occasion, we created this first vertical coupling of our San Luis Valley Straight Rye whiskey. This hand-selected batch was married and bottled at full proof with barrels ranging in age from five to ten years old. Please embrace CORNERSTONE, fourth of our annual annual ORIGINS Series Releases, with the foundational spirit in which it was created.
