Laws Whiskey House is reimagining great American whiskey by creating unique and bold flavor experiences. Our grain-forward style whiskeys are made with the highest quality heritage and heirloom corn, wheat, barley, and rye grown by two Colorado family farms. We use time-tested production techniques that showcase each individual grain's terroir resulting in singular and novel whiskeys.

Introducing SUPER WHEATER, our 2024 ORIGINS Series release - a whiskey honoring wheat, the grain that fueled civilizations. Expertly crafted from hand-selected barrels of our Four Grain Bourbon and robust 100% Centennial Wheat whiskey, this inaugural blend showcases a high-wheat profile with Colorado terroir. Aged 5 to 12 years and bottled at high proof, SUPER WHEATER invites you to pour a glass, unwind, and savor a whiskey made for those who honor tradition but live in the moment.

- ◆ TASTING NOTES: Aromas of shortbread, almond, and orange marmalade lead to flavors of peanut brittle, glazed lemon cake, cinnamon, cardamom, and orange pekoe tea. This spice-forward expression balances sweetness and spice, with subtle notes of lightly roasted coffee. It starts sweet, then transitions to a dry, long, and lingering finish.
